# Persona

This presentation has been created for a manager at the PIF to assess the overall situation regarding transfers in the Saudi League. It requires general statistics, and based on the results, decisions will be made to determine the approach for future support for the clubs.

# Our Goal

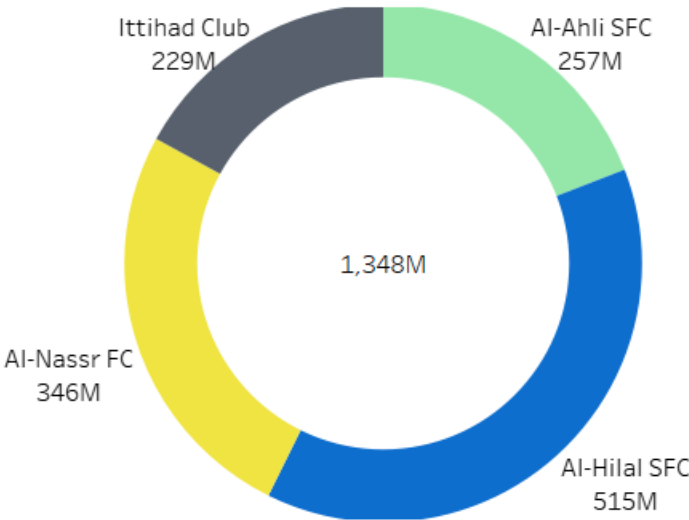

In the future we will build a Data Warehouse for Saudi league transfers including Players stats and all the transfer details.

# Public investment fund clubs Transfers breakdown

Transfer fee per clubs

Avg. fee per transfer

573,131

Number of transfers

2,352

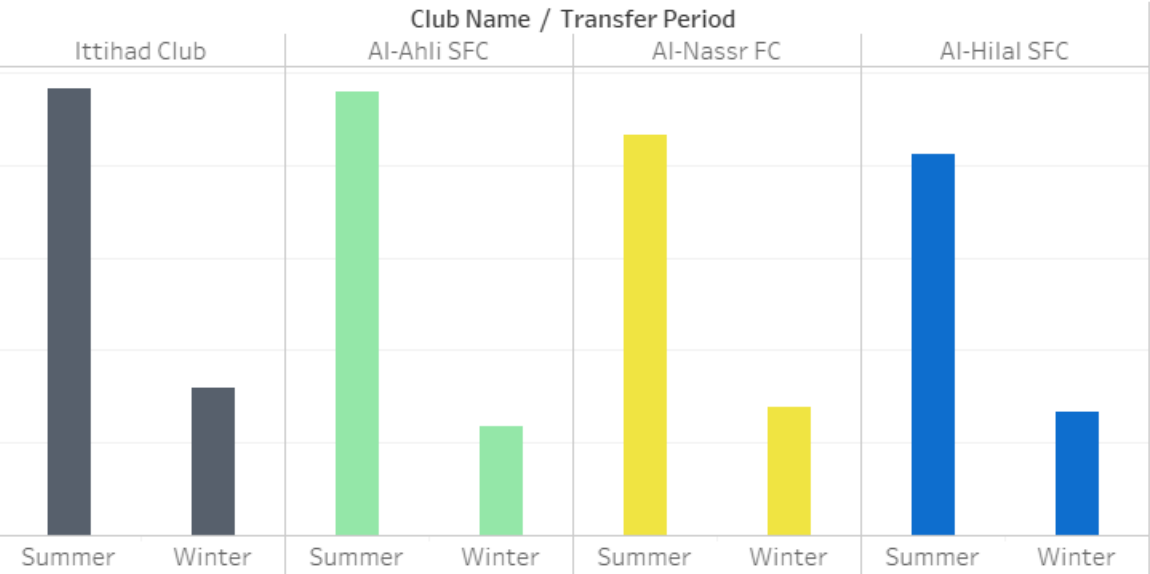

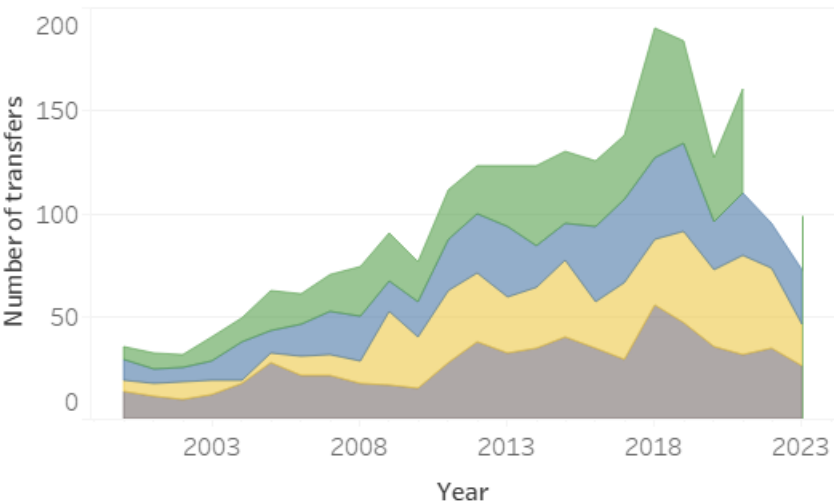

Avg. age

26

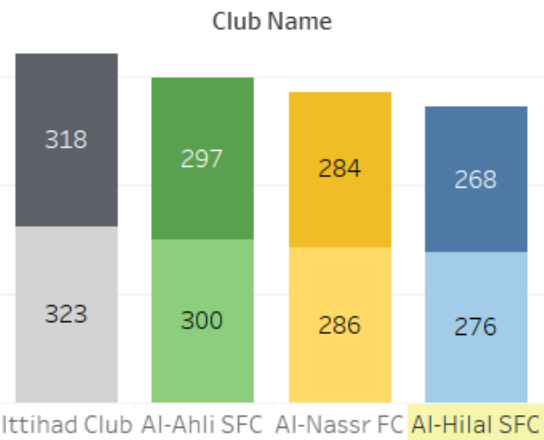

Number of transfers

2,352

Number of transfers by year

Transfers movement by each club

Top 5 Most expensive transfers in the league
